A goal achieved, a victory won, the new session begins, let's take it on a run.'**

Dear Parent

Welcome to another milestone in the journey of the Gurukul family achieved by the comprehensive success of our young learners. Keeping our focus on new teaching methodologies and international collaboration, every gurukulite will continue learning further in order to be better than his/her previous best.

As we usher in the new academic session, we take this opportunity to thank you for the trust that you reposed in us in the previous session. This year too, let us pledge to go hand in hand and see that each and every flower of Gurukul blossoms and spreads its fragrance around the world. Your faith in our institution is our strength and we always look forward to your invaluable suggestions and feedback.

Monthly circular will be issued in the first week of every month to keep you updated with the innumerable fun-filled activities taking place in the Pre-primary wing.
