

Dear Parent

Heartiest Greetings from Gurukul Family!!

Our goal at Gurukul The School is to encourage and handhold our children for understanding, application and analysis through a varied range of interesting activities. Through the concept of **Pitara**, kids of Kindergarten understood the concept of rolling, sliding, classification, sorting and organizing of different objects in their classrooms. **Shopping@gurukul** made kids well-versed with the concept of money and skills of organizing a shop. Living up the festive spirit, little Pre-primers celebrated **Guru Nanak Jayanti by going for prabhat-pheri, visiting the Gurudwara and relishing the 'Langar-prasad'**. As an extension of the classroom learning, little kiddos expressed their gratitude towards the helpers community - school attendants, nannies, bus drivers, school guards. Inching closer to the month end, a picnic full of fun and frolick in the lap of nature was the icing over the cake for class K.G.

The month of December is full of enthusiasm wherein will witness Sports Day, story dramatization and other line ups to spruce the learning trajectory.

The plan for the month is as follows:
