

'God is one, but he has innumerable forms. He is the creator of all and he himself takes the human form.'

Dear Parent

Greetings for the Day !

With the unrelenting support and continuous encouragement of stakeholders, GurukulThe School has been, **once again, placed amongst the top 5 schools** of vicinity by prestigious school surveys including **Education World and Times- C Fore**, for its tireless pursuit of excellence. Rejoicing the celebrious moment, we gear up to create further benchmarks, for, we believe in making our children versatile individuals.

The month of October encompassed learning of classification, sale , purchase and concept of money in day-to-day life through the enlivening trip to Easy Day. The little kids dramatized the epic 'Ramayana' in their special assembly and learnt its social and cultural implications. The understanding of **3 R's -Reduce, Re-use and Re-cycle** was thematically mapped with **Abhivyakti (Part 2) – 'Kabaad Se Jugad' (best out of waste)** activity done by our K.G. parents along with their kids.

Festivals spell RENEWAL of lifeand REINVENTION of positive thoughts, and, with this renewed rigour, the month of November brings more junctions of learning non-stop @ Gurukul station. The little kids will commemorate Guru Nanak Jayanti- the birth anniversary of first Sikh guru through a special assembly and would relish the 'Langar'.

Following is the plan of activities and events lined up for the month:
