'Festivals spell RENEWAL of life and REINVENTION of positive thoughts!'

Dear Parent

With the unrelenting support and continuous encouragement of stakeholders, Gurukul The School has been, **once again, placed amongst the top 5 schools** of the vicinity by prestigious school surveys including **Education World** and **Times – C-For**, for its tireless pursuit of excellence. Rejoicing the celebrious moment, we gear up to create further benchmarks, for, we believe in making our students versatile individuals.

An assortment of Inter class activities and competitions remained the prime highlights of October with skill enhancement at the epicentre. School's Interact Club organised a Blood Donation Camp in collaboration with Rotary Noida Blood Bank and received an overwhelming support of parent fraternity, staff and students.

The month of November, encompasses preparations for the Class Presentations along with the line-up of activities that endorse our international outlook and chisel the students' oratory skills whilst weaving a harmony of geographically distant communities.
