

'A milestone passed, a goal achieved, a victory won, the new session begins, let's take it on a run.'

Dear Parent

Standing on the brink of starting the new session, we extend a warm welcome to all the members of the Gurukul Family for the trust and confidence they have reposed in us.

A wide range of experiences, accomplishments, accolades and learning acquired in the last session, makes the Gurukul Family stand resolute for an even more formidable and enriching academic session ahead. With the cutting edge recognition of ***standing amongst the world's greatest brands*** and being ***ranked the best school in the city***, our academia is geared up to thrive further. Ushering in the new session, we look forward to watching our students raise their bar every day. Let us move on hand in hand to see each Gurukulite blossoming and taking the baton of Gurukul culture to the world. ***The prime highlight would be the Founder's Day Celebration synonymous with the Appreciation Day to acknowledge the outstanding efforts of meritorious students in scholastic and co-scholastic domains.***
