'Success is the sum of small efforts repeated day in and day out!'

Dear Parent

Basking in the happiness of the marvellous class presentations, put up by students of Classes III and IV, who braved the chill of winters for their practice regime and left the audience awe-struck with their flawless oratory and scintillating performances, the learning trajectory moves forward to set further benchmarks.

Judo clan of Team Gurukul made the school proud once again, by bagging **3 Gold medals in the U.P. State Kurash Championship** and **2 Silver and 1 Bronze medal in the 62nd National School Kurash Championship**. Taking the school's glory to the international pedestal, Rishabh Tyagi of Class-XI secured himself the 1st Rank in 15th Parsvnath International Open Chess Championship. These phenomenal achievements have blown a streak of enthusiasm and inspiration in all the Gurukulites.

The month of February brings the spotlight on rigorous revision schedule as the students gear up to prove their scholastic excellence through various assessment activities. With the right efforts in the right direction, each student can come out with flying colours.
