

CIRCULAR FOR SENIOR WING FOR THE MONTH OF FEBRUARY 2017

01.02.2017

'Success is the sum of small efforts repeated day in and day out!'

Dear Parent

At Gurukul The School, we strive to strike a balance between pleasure and work for the holistic development of children. The New Year began on a triumphant note. Taking the school's glory to the international pedestal, Rishabh Tyagi of Class-XI, secured himself the 1st Rank in 15th Parsvnath International Open Chess Championship. Gurukul's Judo Team made the school proud by bagging **3 Gold medals in the U.P. State Kurash Championship** and **2 Silver and 1 Bronze medal in the 62nd National School Kurash Championship**. These phenomenal achievements blew a streak of enthusiasm and inspiration in all the Gurukulites.

The rest of the month saw students of class X and XII fervently preparing for their Practice Papers and class XI preparing to bid a heart-warming and emotional adieu to the students of class XII.

The month of February brings the spotlight on rigorous revision schedule as the students gear up to chisel their understanding and prove their scholastic excellence in the Term - end assessments. With the right efforts in the right direction, each student can come out with flying colours.
