

**‘Develop a passion for learning. If you do, you’ll never cease to grow.’— Anthony D’Angelo**

Dear Parents

With an inspiration to make learning a joyous experience and attaining knowledge, an insatiable quest, we find great delight in creating conditions for application based multi-dimensional education for Gurukulites so that they think, analyse and **relate the lessons of classroom with the learning of life**. An ensemble of innovative activities and academic planner is chartered to **reaching pinnacle our students in accordance with the challenges of changing times**.

The Gurukulites got a delightful head-start for the new session with the rapport building classes, and the team building exercises. The most awaited event of the year- The Appreciation Day saw a number of **meritorious students**. Under the Gurukul's Share programme, our students have **collected an overwhelming number of books**, which can be utilized by the students, if they shall need.

While the students of class VI - X are gearing up for the first Unit Test, the yearly summer bonanza is also on the way. An exciting excursion has been planned to provide the student squad a free-hold, fun filled experience zone where a learning and life-skills are imbibed while spending time with their peers, in the recluse of safe, secure and exuberant places.

A meticulous revision schedule and consistent study pattern helps the children to perform better and achieve better. Let the month of May be a time of reflection, action and inspiration!

The activities for the month of May are mentioned below:
