Dear Parent

**Heartiest Greetings from Team Gurukul !**

The School welcomes all the students after the Summer Vacation. Our enthusiastic learners have come back after an invigorating break. The month of May brought incredible moments of joy in the Gurukul Family with the phenomenal results of Class X and XII. Rejoicing the moment, we congratulate all our students and stakeholders whose unstinted support and persistence has made this success possible.

The month of May was an exhilarating time for our tiny tots as well, when our little buds experienced comfort and had a memorable time together with their families. Teachers wished their children a goodbye for their summer vacation with the refreshing memory of 'Summer Jubilee'.

To make learning more fun for them, the school has planned many interesting and innovative activities throughout the month. The array of activities are No TV week, Story narration by parents and English Recitation Activity. We line up to host the **Appreciation Day** to acknowledge the outstanding efforts of meritorious students in scholastic and co-scholastic domains and our most awaited **annual Inter - School event '7th Synergy 2018'**.

**The activities for the month of July are mentioned below:**
