Dear Parent

Heartiest Greetings from Team Gurukul !

“Only those, who follow their dreams, believe in themselves and never give up, are capable of turning them into reality.” Gurukul-The School has once again proved this authentic fact. It is a moment of immense pride when **Gurukul is Ranked No.1 amongst the Top CBSE Schools in the entire country under the category “Individual Attention to Students”** in a survey conducted by in India Education Today Co.

November was the month wherein the erudite Gurukulites had an informative and enlightening career counseling session giving them an opportunity to introspect and choose an apt career path as per their calibre. The children also went to Gandhi Smriti and Parle G factory and partook in an enjoyable learning experience.

As we reach the month of December 2018, we expect the Gurukulites to channelize all their energies in the right direction and set the tone for the year ahead to achieve milestones. This might be the end of a year but it's the starting of yet another great year full of hopes, promises, exaltation and ebullience. An investment in knowledge pays the best interest. It's time to put in their best foot forward and that too with promptitude. They must work conscientiously to achieve the desired output. If they believe in themselves and put their heart and soul into the task, they are likely to reach the zenith. We all need to reiterate it yet again that the roots of education are bitter but the fruit of education is always sweet. The activities for the month of December are mentioned below:

DATE	DAY	EVENTS
