Dear Parent

Wishing you all a year full of happiness!!

Gurukul The School welcomes all the students after a rejuvenating Winter Break. We hope that you had a wonderful holiday full of fun and frolic!! Yet another great year has begun. The recipient of myriad awards and honours, Gurukul-The School has managed to carve a niche for itself. Surging right through its competitors, **Gurukul The School was awarded the No.1 School in India under the Top CBSE School Parameter wise for – Individual Attention to Students and ranked No.18 all over India (including all the parameters), No.5 in UP and No.2 in the city by 'Education.co'.**

The month of December was engaging and exciting for all. The month moved on with a glitzy "Story Dramatization" which was an activity for the whole month. Our blooming buds of Pre-Primary transformed themselves into different characters of the story which glued the audience. The message was loud and clear, that our students are confident on stage, character display, good orator and don't have any phobia. The students rejuvenated themselves with an extravagant 'Christmas Celebration'. Along with the celebrations and activities, each little feet and hands were busy in molding their conceptual learning into the piece of art. They were preparing themselves for showcasing their exquisite smartness, creativity and imagination in up-coming Class Presentation.

We at Gurukul make learning a striking feeling for the kids to add glorious experiences in their memories. To live this, the month of January brings enriching alley of celebrations 'Republic Day' and activities like Helpers Week. The month will be culminated by developing 'Patriotism' and Humane factor in each future leader.

The activities for the month of January are mentioned below:
