**The sunrise of New Year re-kindles hope, prosperity, happiness and endless opportunities.**

Dear Parent

Wishing you all a year full of happiness !!

The learning curve of students at Gurukul The School, is synonymous with diversified achievements and dynamic learning experiences. The year 2018 proved to be a boisterous and silver lined journey with new benchmarks of excellence being set. With renewed vitality we continued to hone the talent of Gurukulites in various spheres. Exhibiting their marvellous command over scholastics and co- scholastics with equal zeal, Team Gurukul bagged laurels in multifarious fields.

The recipient of myriad awards and honours, Gurukul has managed to carve a niche for itself. Surging right through its competitors, **Gurukul The School was awarded the No.1 School in India under the Top CBSE School Parameter wise for – Individual Attention to Students and ranked No.18 all over India (including all the parameters), No.5 in UP and No.2 in the city by 'Education.co'.**

Embarking towards the journey of the new year with a rejuvenated fervour, the ambit of January 2018 will include inter section activities, thought - provoking discussions, special assemblies, patriotic flavour and religious academic zeal on the centre stage.
