Dear Parent

**Your faith in us, is our strength!**

Gurukul The School provides constructive learning experience that leads to the seamless transition of our scholars into confident and wholesome individuals.

From midst of January our tiny tots were busy in molding their conceptual learning into a piece of art. They put their heart and soul to showcase their exquisite smartness, creativity and imagination in their show to their wonderland –**Bioscope**.

February was count-down finale where they showcased their fantabulous talent by showcasing heart throbbing Class Presentation with pomp and show, enthralling the audience with oomph moments. It was the month of unlimited achievement where our trailblazers won many accolades in junior Olympics. 36 children from Nursery and KG participated. They won 8 Gold, 6 Silver and 1 Bronze in various races (Fun Race, Ball Throw, Hurdle Race and Flat Race). **The boys lifted overall championship trophy in Junior Olympics.**

A rigorous revision regime was also the highlight in the month of February post ‘Class Presentation’.

The month of March along with blossom, brings an alley of activities and celebrations. In our bouquet we have a weekly Field activity @ Gurukul Acreage for our champs, to explore the refreshing games and activities. The limelight for March will be to graduate to the next level of learning while the School will be Center of CBSE class X and AISSE class XII Examination.
