Dear Parent

Warm wishes from Team Gurukul!

The remarkable journey of yet another academic session, inches closer to its completion. With this, the new session also rings in - with arms wide open, promises big and resolutions bright.

The hallmark of Gurukul The School is to strike a balance between scholastic and co-scholastic domains of learning and ensure the holistic development of students. The month of February 2019 witnessed the students working hard for their year-end assessments. The mighty battalion of Gurukulites made us proud with their academic zeal and participation in a wide range of Inter-School, State, National and International level competitions, where they stood undefeated among thousands.

The limelight in March will be to graduate to the next level of learning by embarking on a glorious voyage with the beginning of the new session.

We wish all the students the very best for their future.
