‘Small opportunities are often the beginning of great enterprises.’

Dear Parent

Greetings for the Day!

The Gurukul family extends warm welcome to all parents and students to the new session 2019-2020.

Gurukul The School believes in fulfilling its mission to provide the best possible education through multifarious activities and projects. The last session proved to be great success with a wide range of enriching experiences, accomplishments, accolades and learning acquired by our trailblazers, helping them to be the best in the league. We, at Gurukul always keep ourselves abreast with the latest trends in the field of education and based on that we upgrade our facilities aiming to provide a congenial and warm environment that is conducive for teaching, learning and for the overall development of the students.

Let us move hand-in-hand to see each Gurukulite evolving into a responsible, confident and above all, a happy and contented individual. Your faith in our institution is our strength and we always look forward for your invaluable suggestions and feedback.

Monthly circular will be issued in the first week of every month to keep you updated with the incalculable fun-filled activities taking place in the Pre-primary wing.
