‘The smallest act of service is worth more than the grandest intention’ – John Kennedy

Dear Parent

Greetings from Team Gurukul!

Making learning a joyous experience and attaining knowledge an insatiable quest, we find great delight in chiseling innate qualities into every Gurukulite. At every stage, we foster experiential learning that enables the child to think and act in a positive and independent manner. The academic session 2019-20 started with renewed vitality and higher goals envisioned for our students' excellence. The Gurukulites got a delightful head-start with the rapport building classes and the team building exercises.

The month of May will include inter section activities, thought-provoking discussions, inspiring assemblies and continuous academic zeal among other exciting segments.
